

L23W10

23" (Diagonal) LCD Widescreen
HDTV Monitor

Features

Multi-Function Monitor with MultiTask Audio™

Widescreen High Definition TV Monitor with 1280 x 720 High Resolution Panel and Exceptional Contrast and Brightness Performance

Comprehensive Connectivity Package Includes Composite Input with S-Video, SYNCROSCAN™ PLUS^{3A} Component Input and PC D-Sub Input (RGB/VGA)

Standard Definition NTSC Integrated Tuner

HD Input Capability with PC D-Sub Input (RGB/VGA) and SYNCROSCAN™ PLUS^{3A} Component Video Inputs

Auto Tune (One-Button Launch) - Provides One-Touch Convenience

VESA Wall Mount Compatible

Benefits

Can be used as a TV or a computer monitor. MultiTask Audio™ allows the user to listen to audio while in the PC mode.

Capable of viewing digital TV signals (480p, 720p, 1080i) in 720 progressive lines. Fast 12ms response time yields crisp, clear, detailed images.

Connect a wide array of sources for greater utility, from VCR to Progressive Scan DVD Player, Digital TV Tuner, Digital Cable Box, Satellite, Game, or Personal Computer.

Built-in analog TV tuner receives standard over-the-air television broadcasts and cable TV programming.

SYNCROSCAN™ PLUS inputs automatically detect video formats 720p, 1080i, 480p & 480i, thus eliminating need for user to manually change output device settings.

Once set, Auto Tune powers on the LCD TV, and the source device, while switching to the appropriate source input – all at the touch of a single button.

Allows the user to wall mount the unit with a universally standard VESA Wall Mount bracket.

L23W10

Technical Specifications

BRAND	
Brand	RCA

PICTURE	
Screen Size - diagonal (inch)	23
Category	LCD TV
Display Type	TFT LCD
SDTV / EDTV / HDTV Compatibility	HDTV Monitor
Aspect Ratio	16x9
